Dear Community Partner:

Your help establishing the Lower Cape May Regional Education Foundation will not be forgotten. Thanks to you we have been able to develop our by-laws, establish an initial board of directors and identify initial projects targeting our mission and vision.

As you might have guessed, you are not off the hook! What we want to do is buy you lunch. You decide how often. After attending an orientation and planning meeting on our "Change a Life Over Lunch" program, scheduled for Monday evening, September 8th, in the high school cafeteria, 6:00- 8:00pm, you will join a student or two for lunch, once a week - once a month, or however you choose. The end result of this program will be for students to benefit and learn from your experiences. Additional benefits include improving communication and job readiness skills, exposing students to potential careers, and a great opportunity to make a positive difference in the life of a student.

The Lower Cape May Regional Education Foundation recently received its 501-c-3 non-profit status making it eligible for tax deductible donations. These donations will fund this project. So there are two ways you can support the foundation and this project. Contact Margie Franco at francom@lcmrschools.com to register as a Change a Life Over Lunch community mentor, or you can make a contribution payable to the Lower Cape May Regional Education Foundation, 687 Route 9, Cape May NJ 08204.

The vision of the Lower Cape May Regional Education Foundation is to make education a more career-relevant, rewarding, enjoyable, and successful process for our students.

Thank you again for your help and support. Please join us for a slice of pizza on the 8th! RSVP to francom@lcmrschools.com.
